Dear Sir/Madam,

Case Officer: Zac Denton

Planning (Listed Buildings and Conservation Areas) Act 1990 (as amended)

Application No: AB/1/21/L
Site Address: Walker House 14 Tarrant Street Arundel BN18 9DG
Description of works: Listed building consent for the renewal of existing slate roof, replacement of 2 No. window frames on front elevation & painting west elevation & rear garden north & east elevations.

Thank you for your internet representation made on 28th February 2021 which has been recorded as no objection with the comments as follows:

OWPC34125

14 Tarrant Street, dating to the late 18th Century and Listed Grade 2, occupies a prominent corner location in Tarrant Street at the junction with Baker's Arms Hill. Its western facade and natural slate roofs are also prominent as seen from the northern part of Baker's Arms Hill.

The works proposed are ones of essential repair and if carried out to correct historic building repair standards will cause no harm to the character or appearance of the conservation area.

A sample of any replacement slate, and of bricks to be used in repair should be submitted to the Council for agreement. The Surveyor's report submitted with the Heritage Statement seems to indicate that replacement slates are required only for some of the internal roof slopes whereas the description implies total replacement. Perhaps this should be clarified since the replacement of any areas of sound slates on the roofs is clearly unnecessary.

Your views as made above will be considered before the application is determined.
