Dear Mark,

Re: Tree felling at 18 Tarrant Street, Arundel BN18 9DJ

I am writing giving notice of our intent to undertake the following tree felling within a designated Conservation Area:

1. **Sycamore (T1)** – dismantle to ground level.

The tree is in the grounds of 18 Tarrant Street and is indicated on the plan overleaf. It is growing in a fairly confined location and is contributing to structural damage of retaining walls– with noticeable movement in windy conditions – and lifting of slabs/steps.

Whilst pruning to create a more compact form may be possible it will not prevent incremental growth and an increase in the likelihood of structural damage.

Should you require any further information please do not hesitate to contact me.

Yours sincerely,
