Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- Research planning and building control history
- View any planning applications, plans, agreements, tree preservation orders or competent persons data
- Submit building control applications
- Submit planning application comments
- Report any planning compliance issues

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

Subject: AB/23/21/L & AB/22/21/HH

Good Afternoon Anita,

Our Planning Advisory Committee discussed AB/21/21/L and AB/22/21/HH at last week's PAC meeting and the following decision was agreed upon:

The Committee objected to the application on the grounds of insufficient information and requested that further detail be provided before making a decision.

The Committee would like to discuss the applications again at the April PAC meeting provided that further information is given in advance of the meeting. Are you able to ascertain more detailed information from the applicant for us to review?

I look forward to hearing back from you.

Kind regards,

Aby Dingle
Administrative Assistant
