Dear Anita,

AB/23/13/DOC

Just to confirm that I am content that the archaeological condition - also subject to scheduled monument consent under the 1979 Ancient Monuments and Archaeological Areas Act (in connection with the application AB/122/12 which my colleague John Mills commented on 11/12/2012) has been fully complied with and we had already received an electronic copy of the report on the watching brief prepared by George Anelay.

Yours sincerely,
Mark Taylor
