Anita,

Please accept this email as agreement to the further extension of time.

My client has confirmed he has been in conversation with the Town Council and has given them all the relevant information which they confirmed will be added to and discussed at the meeting.

In terms of marketing, none was undertaken as following the review of the current policies relating to the loss of retail space and the location of the premises outside of the primary and secondary retail frontages it was felt this was not necessary. As explained in the DAS the premises have run at a loss since opening in excess of 4 years ago.

If you require any further information please do not hesitate to contact me.

Thank you Michael,

Shall we agree to a further extension of time on the application until 28-05-2019 to allow for receipt of revised comments from the Town Council?

If their objection is withdrawn the application will not need to be placed on an agenda to be determined by our Development Control Committee.

Can you also advise if the premises were marketed for retail use following refurbishment. If so was for how long and was any interest forthcoming?

Regards

Anita Gardner

Anita,

Thank you for the update. I have spoken with my client and he has agreed that I can confirm acceptance of an extension of time until 20th May 2019, please accept this email as confirmation.

As an aside I understand from my client that the Town Council may be looking to reconsider their objection on the grounds that they were not aware of Arun District Council's Economic Development Officers comments following the consultation on 7th March 2019.

If you require any further information or clarification please do not hesitate to contact me.

Michael,

I apologise for the delay in dealing with your application. I am hoping to put time to looking at it tomorrow or Thursday and accordingly request your Agreement to an extension of time on the application until 20-05-2019. Anita,

Is it possible to give me an update on this application yet?
My client is concerned that a request for an extension of time has not been made and the DC committee is coming up soon.
