Good morning Julie

Please find attached Form 2 and Form 9 as requested. I believe building works are starting soon so I will get Form 6 sent to you once you have confirmed the liability/exemption.

With kind regards

Hello Julia,

I have just had a look at the site and it looks like it hasn't been checked by the planning officer. It its CIL Liable. I will send out the liability notice and that will explain the next steps. There appears to

be no Form 2 Assumption of Liability or Form 9 Residential Extension. If you could forward them to me I will get that sent out in the next hour. Apologies for that, I think it was when we had just started and trying to get our heads around it all.

Kind regards,
Julie

Good afternoon Julie

I am just enquiring about the above planning application which was granted permission in June last year. I submitted a CIL Residential extension exemption form, but did not hear anything back from you with regard to any CIL liability. I am just checking that the application was not therefore liable for CIL?

Work is soon to start on site and I would be grateful if you could confirm this so that a Form 6 can be completed if necessary.

With kind regards
