

Plans A1.pdf

Morning Zoe,

Please can you substitute these plans for those existing against the application. This will require a change of description from existing to:

“Ground floor side extension, porch to front, first floor rear extension, first floor front/side extension with alterations to fenestration and new Garden Room”

Please re-consult everyone, and if possible, let me know the new NDBD as soon as possible.

Thanks,

Zac

Dear Zac

Further to our telephone conversation earlier today. Please could you substitute the attached drawings which include the garden room in the current application. The drawing that has been amended is Drawing 2.06 rev A. I believe the new description for the application should read:

“Ground floor side extension, porch to front, first floor rear extension, first floor front/side extension with alterations to fenestration and new Garden Room”

Kind Regards

Dear Mr McCourty,

As a result of the Planning Committee this week, the above application will not be able to be determined this week. Are you able to agree an Extension of Time until the 2nd of June 2020?

Please do not hesitate to contact me with any queries you may have.

Kind regards,

Z Denton
