Subject: AB/25/18/A & AB/26/18/L Replacement Drawing - Swan - Arundel

Good afternoon Miss Spencer

Following receipt of your letter advising the reference numbers of the portal advertisement and listed building applications our customers have asked us to add some amenity text wording to the scheme so I have attached a replacement signage scheme drawing now Issue 4, please can you replace the existing drawing with this new drawing.

The amenity wording will be hand painted direct to the building in dark blue (upon consent) so is 2mm thick o/a size is 1200 x 1180mm and the pub has previously had amenity signs in the positions the sign writing is now shown so trust this will not cause any issues.

If you require any further information please do not hesitate to contact me.

Thank you for your assistance in this matter, please can you confirm this amendment?

Kind regards

Julie
