3 Description of Development

Demolition of existing detached dwelling and garage and erection of 1 No detached dwelling with rear annexe (resubmission following AB/150/22/PL. This site is in CIL Zone 2 and is CIL Liable as a new dwelling.

4 In pursuance of their powers under this Act and related Orders and Regulations the Council **PERMIT** this development to be carried out in accordance with the application and plans and subject to the following conditions.

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby approved shall be carried out in accordance with the following approved plans:

- Proposed Elevations (Dwg No. 1550/P011)(Dated 20/04/23).
- Proposed Block Plan (Dwg No. 1550/P01 D).
- Proposed Floor Plans (Dwg No. 1550/P02 H).
- Proposed Street Scene (Dwg No. 1550/P08 A).
- Proposed Roof Plan (Dwg No. 1550/P05 D).
- Proposed Section (Dwg No. 1550/P04 C).

Reason: For the avoidance of doubt and in the interests of amenity and the environment in accordance with policy D DM1 of the Arun Local Plan.

- 3 No development above damp proof course (DPC) level shall take place unless and until a

schedule of materials and finishes to be used for external walls (and roofs) of the proposed building have been submitted to and approved by the Local Planning Authority and the materials so approved shall be used in the construction of the building.

Reason: To enable the Local Planning Authority to control the development in detail in the interests of visual amenity and character of the area by endeavouring to achieve a building of visual quality in accordance with policy D DM1 of the Arun Local Plan.

- 4 The rear annexe hereby permitted shall be occupied solely for purposes ancillary to the occupation and enjoyment of 23 Torton Hill Road as a dwelling and shall not be used as a separate unit of accommodation.

Reason: To accord with policies D DM1 of the Arun Local Plan and to prevent the establishment of an additional independent unit of accommodation which would give rise to an over-intensive use of the site and lead to an unsatisfactory relationship between dwellings.

- 5 The bathroom and en-suite windows on the first-floor of the north-eastern elevation of the dwelling hereby permitted shall at all times be glazed with obscured glass and fixed to be permanently non-opening to a minimum height of 1.7m from the finished floor level of the room that they serve.

Reason: To protect the amenities and privacy of the adjoining property in accordance with policies D DM1 of the Arun Local Plan.

- 6 The flat roof of the rear annexe hereby approved shall not be used for any purpose other than as a means of escape in an emergency or for the maintenance of the building, and shall remain as such in perpetuity.

Reason: In order to safeguard the residential amenities of the adjoining premises in accordance with policy D DM1 of the Arun Local Plan.

- 7 The hardstanding to the front garden hereby permitted shall be made of permeable or porous materials and/or provision shall be made to direct run-off water from the hard surface to a permeable or porous area within the curtilage of the dwellinghouse.

Reason: To ensure adequate consideration of surface water runoff in accordance with Policy W SP1 of the Arun Local Plan.

- 8 No part of the development shall be first occupied until covered and secure cycle parking provision has been provided in accordance with plans and details submitted to and approved by the Local Planning Authority.

Reason: To provide alternative travel options to the use of the car in accordance with policies T SP1 of the Arun Local Plan.

- 9 Prior to occupation of the approved dwelling, the applicant or developer shall provide the dwelling with electric vehicle charge points in accordance with the council's standards as set out in its Parking Standards SPD. This requires all dwellings with a garage or driveway to have EV charging points in 100% of parking spaces with electric ducting provided to all other spaces where appropriate to provide passive provision for these spaces to be upgraded in future. The individual charge points shall be in accordance with the technical requirements set out in Part S, section 6.2 of the Building Regulations 2010 (as amended). The electric vehicle charge points shall thereafter be retained and maintained in good working condition.

Reason: New petrol and diesel cars/vans will not be sold beyond 2030, and to mitigate against any potential adverse impact of the development on local air quality, in accordance with policy QE DM3 (c) of the Arun Local Plan, the Arun Parking Standards SPD and the NPPF.

- 10 No construction / demolition activities shall take place, other than between 08:00 to 18:00 hours (Monday to Friday) and 08:00 to 13:00 hours (Saturday) with no works on Sunday or Bank/Public Holidays.

Reason: to protect the amenity of local residents in accordance with Policy QE SP1 of the Adopted Arun Local Plan 2011 - 2031.

- 11 No development above damp proof course (DPC) level shall take place until a Biodiversity Enhancement Strategy has been submitted to and approved in writing by the Local Planning Authority.

The content of the Biodiversity Enhancement Strategy shall include the following:

- a) Purpose and conservation objectives for the proposed enhancement measures;
- b) detailed designs to achieve stated objectives;
- c) locations of proposed enhancement measures by appropriate maps and plans;
- d) persons responsible for implementing the enhancement measures;
- e) details of initial aftercare and long-term maintenance (where relevant).

The works shall be implemented in accordance with the approved details prior to occupation and shall be retained in that manner thereafter.

Reason: To enhance biodiversity on the site and within the vicinity in accordance with Policy ENV DM5 of the Arun Local Plan

- 12 The dwelling shall not be occupied unless and until the applicant has submitted a scheme for approval by the Local Planning Authority to demonstrate that the development will incorporate decentralised, renewable and low carbon energy supply systems including full details of solar panels or air source pumps. The approved scheme shall thereafter be implemented prior to occupation of the dwelling and any approved renewable energy supply systems shall be permanently retained & maintained in good working order thereafter.

Reason: To ensure that the development is energy efficient and in accordance with policy ECC SP2 of the Arun

This application is subject to the Community Infrastructure Levy (CIL) as levied under Arun district Council's CIL Charging Schedule as adopted on 15th January 2020.

Shortly you will receive a Liability Notice which includes the calculated charge and person(s) liable to pay. If you have not submitted all the necessary CIL forms such as Assumption for Liability ([Form 2](#)) or any appropriate exemption or relief forms available on the Council's website <https://www.arun.gov.uk/cil> you must do so prior to commencement of your development. Failure to do so would invalidate any claim for exemption or relief. Furthermore, you must remember to submit your Commencement Notice no later than the day before the day on which the chargeable development is to commence. Failure to do so could result in a surcharge of up to £2,500.

INFORMATIVE: To prevent impacts to the amenities of future occupiers of the proposed dwelling and occupiers of neighbouring dwellings, the development should be carried out in accordance with the 'Arun District Council Construction Code of Practice: For small developments in Arun', as available from: <https://www.arun.gov.uk/download.cfm?doc=docm93jjm4n12193.pdf&ver=12201>.

INFORMATIVE: It is likely that an existing on site public foul sewer will need to be relocated as part of this development. The relocation of this public foul sewer will need to be undertaken in correspondence with, and

to the satisfaction of, Southern Water, and at the expense of the applicant.

INFORMATIVE: It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its ownership before any further works commence on site.

INFORMATIVE: Southern Water requires a formal application for a connection to the public foul sewer to be made by the applicant or developer.

To make an application visit Southern Water's Get Connected service:

developerservices.southernwater.co.uk and please read our New Connections Charging Arrangements documents which are available on our website via the following link: southernwater.co.uk/developing-building/connection-charging-arrangements

INFORMATIVE: The applicant is required to obtain all appropriate consents from West Sussex County Council, as Highway Authority, to cover the off-site highway works. The applicant is requested to contact the Area Highway Manager (01243 642105) to commence this process. The applicant is advised that it is an offence to undertake any works within the highway prior to the agreement being in place.

INFORMATIVE: Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

IT IS IMPORTANT THAT YOU READ THE NOTES ATTACHED TO THIS DOCUMENT

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, and you want to appeal against this planning application decision, then you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against this planning application decision, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months of the date of this notice, whichever period expires earlier.

Otherwise, if you want to appeal against this decision then you must do so within 6 months of the date of this notice.

Appeals must be using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <http://acp.planninginspectorate.gov.uk>

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must send notice to the Local Planning Authority and Planning Inspectorate(inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details can be found at www.GOV.uk

PURCHASE NOTICES

If either the local planning authority or the Secretary of State refused permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (that is, where the land is situated in a National Park, the National Park authority for the Park, or in any other case the district council in whose area the land is situated). This notice will require the Council to purchase the owner's interest in the land in accordance with the provisions of Chapter 1 of Part VI of the Town & Country Planning Act 1990.

Please note that this decision notice only relates to matters under the Planning Acts and does not give consent under any other legislation that may apply to the development. You will need to carry out your own checks to determine whether any other consents or permissions are required. For example, the Building Regulations are likely to apply to most developments, and a Highways Licence may be required from West Sussex County Council for any development within the public highway (including the placing of skips on

highway land).
