

AB/29/20/L

Bay Tree House 16 Tarrant Street Arundel BN18 9DJ

Listed building consent for variation to the current consent (AB/69/19/L) including a reduced cornice profile to front dormers, installation of internal emergency fire curtain to kitchen screen, formation of internal landing window, installation of new external grade timber French doors, sidelights to west elevation & part glazing of new internal doors to rear hall.

I have reviewed the proposed revisions to the approved scheme and believe that they will not harm either the Listed Building or the Conservation Area. As a consequence, the proposal should be determined in accordance with the relevant policies within the Development Plan, along with the contents of the Planning (Listed Buildings and Conservation Areas) Act 1990 (as amended).
