Dear Becky,

Thank you for your email and sending across the amended block plan.

I spoke to Mark this morning to confirm that the Protected Species Walkover would be sufficient. Aside from receiving this, the only other document we require (as listed in the letter) is the 'Biodiversity Enhancement Statement'. Once we have received these 2 documents I can get on and validate the application.

Please see link below to the validation requirements which include what is needed for the biodiversity enhancement statement on p. 12.

If you have any questions; please just let me know.

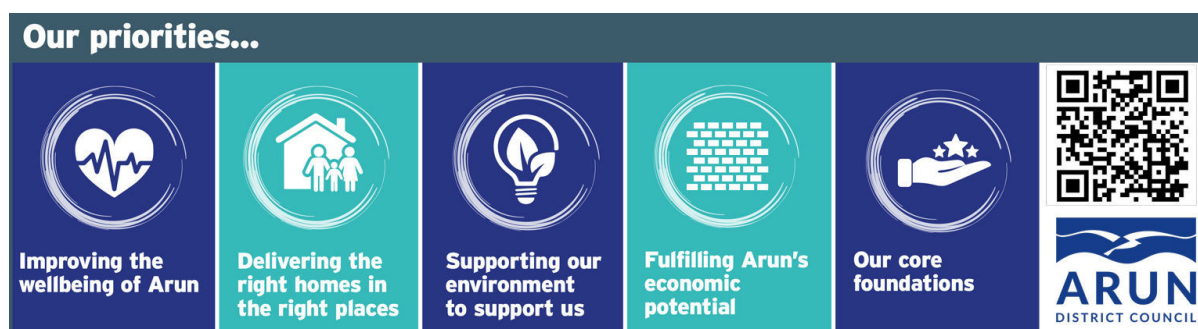

Thank you.

Dear Laura,

Re: Letter dated 19th May 2026 from Neil Crowther. AB/29/26/HH, White Cottage, 32, King Street, Arundel BN18 9BW

Please find attached the updated Block Plan for this application as requested in Neil's letter.

My colleague Mark (copied) has also left a message for you to call him back please regarding the PEA that has been requested. We have spoken to two ecology companies who both think we should be submitting a protected species walkover survey as the PEA is really for larger developments. Could we just clarify what we need to commission and submit for this application please.

Mark can be reached on [REDACTED]

Kindest regards,

Becky
