Subject: re AB/2/14

Dear Ms Gardner,

With reference to planning application AB/2/14 (a proposed car port for 5 Bernard Road Arundel) we at Arundel Town Council mistakenly recorded a comment of 'no objection' last Friday (after our planning meeting) when we should have said ' object since the car port is in front of the building line'. I would be very grateful if this could be amended.

with thanks and apologies

Helen Nichols
Admin Assistant
Arundel Town Council
