Dear ,

Town & Country Planning Act 1990 (as amended) s211 Notice

Prior Notification of Work to Tree(s) in a Conservation Area

Development: T4 - dead tree to be removed
T1 - Ash - removal due to risk of Ash Dieback - present in Arundel
T2 - Ash - removal due to risk of Ash Dieback - present in Arundel
T3 - Ash - removal due to risk of Ash Dieback - present in Arundel

We are concerned about the recent spate of Ash dieback in Arundel that could compromise three trees in the garden and given the proximity of the trees to other properties the failure of the trees could impact residences nearby. Two of the ash trees are self-seeded. These trees are not representative of the character of this area and if impacted by dieback could compromise residential properties.
