Subject: AB/36/12/DOC New Heritage Centre Mill Road, Arundel - protection of the scheduled monument (Blackfriars)

Dear Anita, further to our telephone conversation earlier today I can confirm that I am happy with the method proposed under condition 9 for the protection of the scheduled ancient monument, namely that all access to the construction site and compound will be from the Mill Road car park entrance on the eastern side of the 'footprint' of the new building. Given adequate Heras fencing and the presence of the TPO mature chestnut tree there should be no foreseeable issues. Yours sincerely, Mark Taylor
