Resubmission of AB/77/17/PL. This application affects the character and appearance of Arundel Conservation Area
Blastreat Limited & adj Greenhurst Fitzalan Road Arundel

Thank you for your internet representation made on 23rd May 2018 which has been recorded as '**an objection**' with the comments as follows:

I object to the planning of the new Over 60's residential home in this area. This is for many reasons such as the traffic issues on this road which bottle necks in that area. This proposal suggests another 32 Car Parking spaces suggesting there would be a large increase in the traffic in an area that is already a problem.

That building has been there for years - certainly longer than the 40 years I have been living in Arundel.

Currently I rent as there is no enough affordable housing to buy in Arundel which frustrates me as I need to get a place myself. There seems to be so much money being invested in retirement property but nothing for first time buyers. If it goes through which would be a crying shame then the build itself would be a total nightmare - chaos. Good luck with the drainage too!

Arundel is beautiful town and is vibrant - dont kill it with eyesore buildings replacing historic areas.
