My comments.

There is no shortage of retirement homes in Arundel as there are already several in the vicinity.

The corner site is used and passed by many large vehicles from the supermarket which pass and turn on Fitzalan Road.

The sewage system in Fitzalan Rd is already overloaded and has to be pumped out from time to time.

Parking is stretched to the limit on Fitzalan Road.

It would be criminal to demolish the Victorian heritage building behind the co-op. Surely this could be converted and saved.
