Your Ref: OWPC18994
Our Ref: AB/36/18/PL 30-03-2018
Please ask for:
Mrs A Gardner

28th June 2018

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Demolition of existing buildings & erection of a block of 46No. sheltered apartments for the elderly (comprising 22 x one bedroom apartments & 24 x two bedroom apartments age restricted to 60 years and over), with associated access electric buggy/cycle stores & refuse bin store & 32No. parking spaces. Resubmission of AB/77/17/PL. This application affects the character and appearance of Arundel Conservation Area
Blastreat Limited & adj Greenhurst Fitzalan Road Arundel

Thank you for your internet representation made on 27th June 2018 which has been recorded as '**an objection**' with the comments as follows:

As far as I can see, this application is hardly any different to the previous one, so my objections are the same as I expressed previously. Namely:-

- 1. We do not need any more apartments for the elderly - especially here, where a geriatric ghetto is evolving.*
- 2. The sewage and rainwater dispersal system already needs upgrading, and extra living accommodation would only exacerbate the situation. As it is, after any moderate rain I have water company tankers parked on my doorstep day and night pumping exhaust fumes into my home while they pump out the sewage system.*
- 3. The area is already classed a high flood risk, and extra building will only increase that risk.*
- 4. The number of car parking spaces planned will not nearly touch the requirement. Contrary to the expressed opinion, elderly couples still drive cars - at least one per family - to say nothing about visitors etc., and we already have a big problem with cars parked along Fitzalan Road.*
- 5. The dangers incurred in removing the Blastreat Building, such as asbestos, which could leave a long lasting effect on the surrounding area.*

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to

appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
