Blastreat Ltd. and Greenhurst, Fitzalan Road, Arundel.

I am writing to object to this application as a large block of flats for older people is not needed in Arundel, we already have enough and some are empty now.

In our Neighbourhood Plan this area was designated for family homes including some affordable houses, so this application is completely out of order.

The size of this building is too large and too high for the sight, not allowing enough parking in this already congested area. the access roads are narrow with a number of bends and also no pavement for pedestrians who have to dodge around delivery lorries, not at all safe now.

The drainage in this area is very poor leading to the pumping station needing to be pumped out itself into tankers. Also when there is wet weather the site floods, so where is that water now going to go?!

I am objecting to this planning application as it is completely wrong for Arundel especially on this site, and against our Neighbourhood Plan.

Yours faithfully,

Anne Harriott
