Blastreat Ltd. & adj. Greenhurst Fitzalan Rd. Arundel BN18 9JS.

My objections are:-

I still strongly object to more apartments for the elderly in Arundel.

There is no shortage of retirement homes in Arundel as there are several in the immediate vicinity.

Fitzalan Road is unsuitable for this kind of development.

The corner site is narrow and passed by many large delivery vehicles as they must turn and return at the end of the road. Many times a day.

I don't feel that the road can cope with further traffic.

Older people need doctors more often.

70 potential older residents would be a great strain on Arundel Surgery.
