Town and Country Planning (Development Management Procedure) (England) Order 2015

Resubmission of AB/77/17/PL. This application affects the character and appearance of Arundel Conservation Area
Blastreat Limited & adj Greenhurst Fitzalan Road Arundel

Thank you for your internet representation made on 18th August 2018 which has been recorded as '**an objection**' with the comments as follows:

*My objection in general is that an architecturally generic and out of scale building such as this, targeted only at an elderly, incoming population is not required and will actually be detrimental to the town. Arundel is a beautiful place and naturally attracts a lot of tourists, however it is vital that it should remain a viable, mixed working community not some sort of 'set in aspic' show piece. There are already more than enough luxury flats and houses aimed at the wealthy retired, many currently empty. What is actually needed and will be of benefit to the community is affordable housing for young families and first time buyers. More specifically, with this application, not enough parking spaces have been provided which will increase Arundel's existing parking problems, it entails the demolition of one of the town's historic industrial buildings and it is out of keeping with the housing stock in the area.
I object very strongly.*

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.
