Dear Councillors,

I would like to express my objection to the revised proposal to build a three storey block of flats in Fitzalan Road.

Arundel does not need more flats for the elderly. We need affordable housing for young families.

I have seen Southern Water's statement on the serious risk of flooding in that area.

Also the blocking of views and the proposed building overlooking neighbours. The beauty of the Town would be deteriorated, increased traffic would occur in the town.

This proposal should be denied.

Yours sincerely,

Emilie D. Bruell
