Resubmission of AB/77/17/PL. This application affects the character and appearance of Arundel Conservation Area
Blastreat Limited & adj Greenhurst Fitzalan Road Arundel

Thank you for your internet representation made on 23rd August 2018 which has been recorded as '**an objection**' with the comments as follows:

To whom it may concern

I am one of the "elderly" in Arundel but it is the young, low income families who need housing most.

I strongly feel that this town needs more affordable - yes that means cheap, relatively low priced housing in Arundel for rent or flats that low income, poorer people can manage to pay.

I agree 100% with the objections listed in the leaflet I received. There are proportionately sufficient retirement houses and, as anyone who listens to news, reads a paper knows, the need is for young people at the lower end of the income scale to have a place to live. I do not want to live in a neighbourhood devoid of young families

Why does Arun District Council flagrantly ignore voices in our town? What has happened to local democracy?

Who stands to make money out of your high handed proposal?

Sadly I don't suppose you have the slightest intention of even trying to answer such pertinent questions

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or

information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
