Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Demolition of existing buildings & erection of a block of 46No. sheltered apartments for the elderly (comprising 22 x one bedroom apartments & 24 x two bedroom apartments age restricted to 60 years and over), with associated access electric buggy/cycle stores & refuse bin store & 32No. parking spaces. Resubmission of AB/77/17/PL. This application affects the character and appearance of Arundel Conservation Area
Blastreat Limited & adj Greenhurst Fitzalan Road Arundel

Thank you for your internet representation made on 26th August 2018 which has been recorded as '**an objection**' with the comments as follows:

There is absolutely no need for a further development of retirement flats, luxury or not, when there are already several retirement flats in neighbouring blocks which remain unsold. Why is there nothing for young families in this plan? The future of this town lies with young people.

According to the plans there will likely be a loss of privacy for neighbours, extra cars parked on an already busy street as there will be insufficient spaces attached to the development. There is a serious threat and risk of flooding.

The old Swallow Brewery building should not be demolished in favour of this unattractive, overbearing development, it should be used and converted into affordable flats for young professionals.

I believe this application is in breach of Arundel's Neighbourhood Plan.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
