Many thanks

Dear Mr Hole,

I write in relation to the above planning application and apologies for the lack of communication regarding the progress of this application.

As you are aware when we last spoke we discussed the lack of comments from the Environment Agency and how no decision could be issued until we received confirmation from them that they were happy with the proposal. Unfortunately, these comments have not arrived despite the consultation having taken place a month ago. I have today sent an email chasing a response from them.

However, I am on holiday from the 8th August and will not be back in the office until the 22nd August. Therefore, unless the comments arrive by Monday I will not be able to pass my recommendation report through to my team leader for sign off. I can only apologise for the delay in receiving these comments but I will do everything I can to the decision received as soon as possible.

Due to the position we are in I would be grateful if you could provide written confirmation of your agreement to an extension of time for the determination of this application until the **25th August 2017**. I apologise for the delay but please do not hesitate to contact me should you wish to discuss this matter further.

Yours Sincerely,
David Easton
