Dear Mr Hole,

I write in relation to the above planning application. I apologise for the further delay in the determination of this application which was caused by my need to prepare for Development Control Committee. However, I have noted that the Environment Agency have now provided comments and raised no objection to the proposed development. Therefore, as my recommendation report is largely completed (with the exception of the additional condition requested by the EA) then I will be completing my recommendation report for this application today. As such, I would be grateful if you would provide written confirmation of your agreement to an extension of time until the **1<sup>st</sup> September 2017**.

Once again I apologise for the delay in the determination of this application but please do not hesitate to contact me should you wish to discuss this matter.

Yours Sincerely,  
David Easton
