Dear Mr Okusipe

LAND AT FORD ROAD, ARUNDEL
SUBMISSION OF DISCHARGE OF CONDITIONS PURSUANT TO OUTLINE APPLICATION
AB/135/20/OUT
WRITTEN SCHEME OF INVESTIGATION – CONDITION 38

Further to the issue of the Decision Notice (ref: AB/135/20/OUT) in respect of the above site, please find enclosed a Written Scheme of Investigation to address Condition 38 - Archaeology.

The Written Scheme of Investigation follows the initial desk-based assessment provided in support of the outline application. Our intention is to undertake the trial trenching throughout Summer 2022, with the findings being reported in Autumn 2022 to fully discharge the Condition.

The application has been submitted on the Planning Portal and a fee of £116 has been paid via the planning portal on-line system. The Case officer for the original application was Michael Easton and we understand that Mr Okusipe will be the Case Officer allocated the future Reserved Matters application.

We trust the submitted information satisfies the Condition and if you have any questions, please do not hesitate to contact either myself, or our Technical Manager, Chris Hughes.

Yours sincerely

Andrew Wilford

Head of Land and Planning
