Dear Peter Cleveland, Re: 21 KING STREET . ARUNDEL. SUSSEX. BN18 9BJ

Please find below the information required to enable you to discharge the conditions attached to Listed Building Consent Reference Number AB/118/11/L dated 03.09.2012.

Condition No. 4

External wall which is to be painted brick will match the existing walls of the adjoining property as shown on the enclosed photograph. Please note that the lower floor is mainly painted brick which we will match rather than the mixed materials of the upper floor.

The roof material is approved as a lead grey fibreglass and a sample of the colour will be delivered to your offices for your attention.

Please confirm that this condition can now be discharged, we will not be carrying out the external insulation and rendering to the existing rear single storey building at this time. If in the future this work is required we will submit a sample of the finish for your approval.
