

24th May 2018

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Erection of 3 No. 2 bedroom dwellings with associated parking & landscape.

Land adjacent to 30 Ellis Close Arundel

Thank you for your internet representation made on 23rd May 2018 which has been recorded as '**an objection**' with the comments as follows:

I have concerns with the ability to accomodate your plans in any shape or form. One can only assume that the plans for 3 off house will turned with the view that you wanted two in the first. This would be used to appease the tatives.

There is not enough space to park the existing locals car as it stands. The road that Ellis come of off is used as an A27 rat run and is already causing issues. Putting even more locals car along that route (the only place left to park) would I believe cause even more traffic problems. I visit family in Ellis Close on a frequent basis. Am I expected to park in the pay and display in town and walk back?

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

Planning operates an 'open file' policy and will publish details of your comments on the website. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website <https://www.arun.gov.uk/planning-privacy-statements>.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State.
