Morning Clare,

I have recently taken over this application from Ross Leal and apologise for the delay.

As you may be aware there have been a number of objections from local residents whose main concern appears to be the loss of parking space. I have discussed with the Highway Engineer who has raised no objection on highway grounds.

It will be necessary to report the application to committee – 8 August is the next available date. In the circumstances I would be grateful if you would agree to an extension of time to 13/8/18.

Kind regards,
Tim Bloomfield

Good Morning Tim

I understand you are now the planning officer for this application following Ross's departure. I have tried calling a couple of times to find out how this application is progressing. It was validated on the 5th of April and looking on the planning portal I can't see any reasons for delay. Can you please advise?

Kind regards
