Details of the pre-application advice received

I consulted with Samantha Allen following on from our approved premises license earlier this year and this application is being place on her kind advice. We had originally (incorrectly) inferred that the permitted use had been changed by way of the approved plans to convert this old bank into commercial/retail space but in discussion with Samantha it became clear that this formal step had not been taken and that we should do so to regularise the use of the premises. This help was appreciated.
