10th March 2022

AB/3/22/HH - Conversion of loft to habitable use including installation of 3 x dormers and roof terrace, addition of rendering and alterations to fenestration/openings - Mews House, London Road, Arundel.

OBJECTION

I live in Tower House Gardens, Arundel, in the house directly west of the Mews House, London Road, Arundel. I object strongly to the planning application for yet another Roof Terrace on the west side of the Mews House, London Road.

The proposed roof terrace is not in keeping with the existing adjacent buildings e.g., St Wilfrid's Priory, the Parish Church of St Nicholas and the Cathedral of Our Lady and St Philip Howard.

The existing first floor roof terrace is on the south-west side of the house overlooking Tower House Gardens and clearly visible from London Road. The proposed new roof terrace at SECOND floor level, on the north and west side of the house overlooking London Road and Tower House Gardens, will be even more prominent and obtrusive. Its siting and appearance will adversely affect the visual amenities of the Conservation area.

I also wish to state that this proposed roof terrace would be overlooking my garden and the windows of my dining room and bedroom and I would suffer a loss of privacy.

Yours Faithfully

Dilys Liversage.
