Dear Mr Stubbs

Please can you confirm whether these were submitted via the portal as they have not come through yet. If possible could you email me the amended documents as the Arun Planning system will be down all next week and I can check the applications and upload them tomorrow to avoid the week delay.

Kind regards

Sian

Dear Sian,

Thank you for getting in touch.

I believe I have now managed to upload all required documentation. I have included front and rear elevations, including labelled drawings and photographs of the site with existing and proposed changes. The CIL file is also complete. If there is anything left to submit please do let me know, so I can arrange to get this to you as soon as possible.

The declaration will need to have the date changed. Please amend if you are able.
