| AS<br>AB/18/10/  | First & second Floor extension, front dormer and rear roof light (Resubmission following AB/112/09).                                                                                                                                                                             | } Objection  | Gable end is unsuitable. Suggest use of halflog & plain cement verge instead of barge board. Conservation neglects instead of dormer. |
