Dear Iqraa,

Thanks for your reply to Debbie, please now find attached the completed application form as requested.

I confirm that I am happy to accept the amended description to "two storey rear extension".

Thank you for your assistance

Kind Regards,

Dear Debbie,

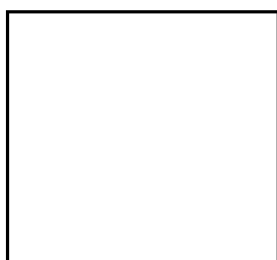

Thank you for your email.

You don't need to amend the description on the application form if you are unable to, a written confirmation will suffice. Along with this, please return the complete amended form via email.

Kind Regards

Iqraa Malik

You

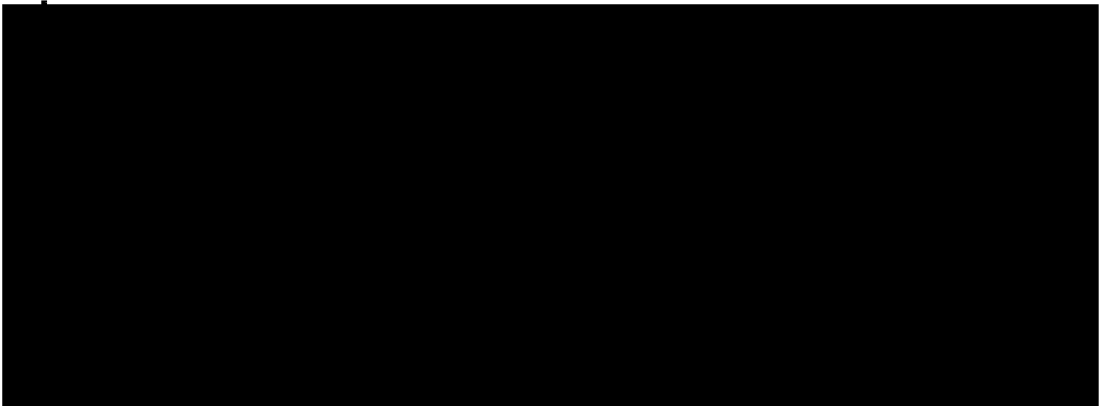

Dear Iqraa,

Many thanks for returning the application form.

I see your email yesterday asked me to confirm is writing acceptance of the amended description, is this all that is required, or do I need to amend the description on the form too?

Do I need to return the complete form, or just the applicable page/s?

Kind regards,
Debbie

Dear Iqraa,

Application ref: AB/41/22/L and AB/40/22/HH

Further to our telephone conversation yesterday, please find attached the block and site plans notated as required, with apologies for the omission.

I look forward to receiving the application for amendment.

Kind regards,
Debbie Tunmore.
