Site Address

62 Maltravers Street
Arundel
BN18 9BQ

The walls will be part rendered and painted in dulux white, the windows and doors will be of a timbre construction and finished in FARROW & BALL VERT DE TERRE No.234 which this colour has been used in Arundel. The roof is already a hand made clay tile which will be continued throughout. If you have any questions could you please phone me 07793 389 369 thank you very much.

Yours Sincerely
Tony Hancock
