Dear Mrs Moore,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application for Planning Permission

Development: A previous owner of the property connect what was an outbuilding with the main house by building a flat roof hallway (See plans). This has created an awkward extension that takes up a large part of the garden. There is no central heating connected in the extension. We want to demolish the extension so that we can apply for planning permission to rebuild one that makes better use of the garden space and will make the house more practical and comfortable. The attached plan shows the section we would like to demolish. The property is not listed.

Location: White Cottage 32 King Street Arundel BN18 9BW
