Dear Rhiannon,

Many thanks for confirming that the new signage on the west elevation is acceptable.

There is no additional signage proposed on the south elevation. There is currently writing above the existing bay window, see attached photograph, which will remain as existing.

Kind Regards,

Cara Davies

Dear Cara,

Thank you for the additional information. I have discussed with the Conservation Officer, the signage on the west elevation looks acceptable.

Please confirm that there will be no signage on the new Tarrant street shop front?

Kind regards,
Rhiannon

Dear Cara,

I am the case officer for this application. I have received the consultation response from the Council's Conservation Officer, please see attached.

I note his query regarding signage at the site. Please confirm whether any additional signage is proposed and, if so, provide details of its location and form.

You will also note the requested condition regarding details for windows and doors. This will be attached to the permission, please confirm your agreement.

I would appreciate your response by 2nd October.
