Dear Mrs Gardner

Further to our email of 27th June I write in order to submit the following revised drawings:

Drawing A6002-03 Revision A

This drawing is revised to show further information/clarification regarding the proposed revisions to the existing boundary wall between the application site and the adjacent 18A Tarrant Street.

Drawings A6002 -05 Revision A, -06 Revision A and -08 Revision A.

All three drawings are revised, removing the previously proposed plasterboard faced, insulated internal wall linings to the upper two floors of the building.

Please accept the above drawings as amendments to applications AB/48/19/PL and AB/49/19/L

Please let me know if you require any further information/clarification from us.

Yours sincerely,

Geoff Thorpe
