Hi Mrs Gardner

I fully understand the reasons for the delay, including the elections earlier in the year!

We are obviously concerned on timing grounds with both these applications and the related one for 18a Tarrant Street, but there is obviously little that can be done, other than to wait our turn.

Please confirm again the extension period requested in respect of these two applications as I think there is typo in your email.

regardsGeoff

Dear Mr Thorpe,

Thank you for your e-mail. I haven't prepared a draft report for either application yet. I am trying to deal with my caseload in order of urgency prioritising the oldest applications first and I am unlikely to be able to be in a position to do so far at least a month. I apologise for the delay and would appreciate your agreement to an extension of time on the application until 07-09-2019.

Anita Gardner

Hi Mrs Gardner

Please could you let me have an update on these two applications. The extension given only extends until September 4th and optimistically maybe, I had rather hoped that they might be going to committee on that date. The published agenda does not include them, therefore have you currently any idea of the date that they are likely to be determined?

Kindest regardsGeoff
