20th April 2017

Dear Ms. Spencer

Re: AB/48/17/PL & AB/49/17/L - 55-57 High Street, High Street, Arundel, West Sussex

Further to the letter sent to us by Mr. Neil Crowther, please find attached all the documents required, including drawings as in drawing issue sheet (also attached) and both local validation and biodiversity checklists.

You have also required clarification in regards to the areas at the back of the building, so we have amended the description as "Application for listed building consent for conversion of a mixed use space into a new ground floor one bedroom apartment with guest annex including demolition of fire escape corridor walls and regularisation for consent for new stud work for partition wall." All of these works have been described initially in the Design and Access statement, we have now clarified it in the titles as well.

Please do not hesitate to contact us if you have any further questions or require any other information.

Yours sincerely,

Adriana Cepeda Bejarano *on behalf of*
