Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: AB/49/22/HH
Site Address: 31 Tarrant Wharf Arundel BN18 9NY
Description of works: Erection of single storey rear extension including the installation 2 x rear balconies and side rooflight and alterations to fenestration. This application may affect the character and appearance of the Arundel Conservation Area.

Thank you for your internet representation made on 25th May 2022 which has been recorded as an objection with the comments as follows:

OWPC47739

The proposed works would seriously impact on the consistent appearance of the Tarrant Wharf development, and impinge on the views of the river from the rear of the adjoining properties.

I am also extremely concerned of the likely impact on the SSP river defence wall, as the existing properties are all piled, and any rear extension would likely have to be of similar construction and in close proximity to the SSP wall.

Your views as made above will be considered before the application is determined.

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely
