

Conservation Area Advisory Committee

Meeting Date : 9th February 2009

App No	Description/Address	Comment	Recommendation/Observation
<u>AB/2/09/</u>	Proposed vehicle crossover and double gated entrance with vehicle hardstanding within garden area. 11 London Road Arundel	Comment	Given the rural setting, a suggestion of small rolled chippings / gravel be considered.
<u>AB/3/09/</u>	New heritage centre building to house museum with visitor facilities, education/learning centre and ancillary facilities with public w.c's following the demolition of the existing hall Land off Mill Road Car Park Mill Road Arundel	Comment Objection	Reservations were expressed regarding the roofing materials & the 'panels' of flint. We feel more consideration should be given to the prestigious setting & use of traditional materials. (eg turf roofing)
<u>AB/4/09/CA</u>	Application for Conservation Area Consent for the demolition of St Nicholas Hall Land off Mill Road Car Park Mill Road Arundel	Strong Objection	The building should not be removed until planning permission has been granted for a replacement build up & a contract completed for its construction. (See above)
