Hi Clare

Spoken to Richard and he does need a new red line drawing including the parking . It looks as this is highways land so he will need to consult with them which he has agreed to prioritise .

There is a change coming up under planning law where we have to agree to the conditions prior to them being included and he will writing to you re this in the near future.

Kind regards,

Mark Coates

Good Afternoon Richard

Despite several phone calls and commitments from you to call back I still don't have a response on the single question that is holding up this revised application. I have tried to call again today and can't get through. Could you please respond as soon as possible?

Regards

Clare

Afternoon Richard

Could I please have a response on whether we can amend the red line on this site to include the parking that has been moved from the south to the north of the site in a layby arrangement?

Kind regards
