Afternoon Richard,

It seems like the latest plans identify that the 'new' footway will be offered up for adoption. So again I would just want both you and the applicant to be aware that given the layby is within the public highway it can't be used as allocated parking and must be available for use by the general public.

In summary I would still consider my comments dated 21/09/2018 relevant when determining the application.

Dear Mr Hayward,

Please see the attached New Parking Scheme re: 1-7 Canada Road ref: AB/4/18/PL. Please could you comment whether this plan alters your views previously given a week or so ago.

Yours sincerely

Hi Richard,

Please find attached. I think the applicant should rethink the layby arrangement, or at least understand the limitations and implications of the latest scheme presented.
