Subject: Canada Road - your ref AB/4/18/PL - red line for planning

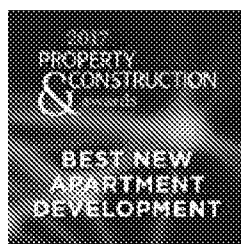

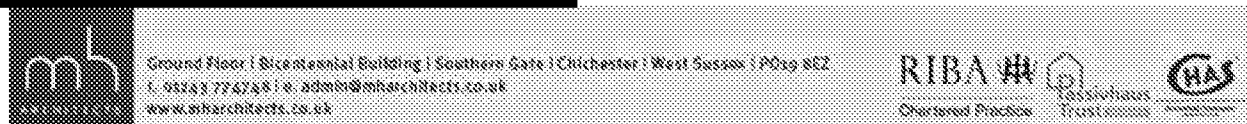

Dear Andrew

Further to my email earlier today please find attached a sketch showing the proposed amendments to the site layout and parking. We are now proposing layby parking at the front which is outside the red line boundary of the current planning application. Will this be a problem or can it be dealt with under a section 38 agreement? I am assuming we cannot change the red line on a current application?

Kind regards
