Dear Ms Welch,

Ref the above planning application, I note the rejection reasoning by Arundel Town Council, and agree with it entirely.

From a personal perspective as an adjacent neighbour, I make the following comment.

People live in Arundel for many reasons, very often for the atmosphere created by the general architecture, but specifically the main historic buildings such as the Castle, St. Nicholas church and the Cathedral, which is why so much architecture is protected by the "Listed" designation, which includes the property in planning ref. AB/3/22/HH and AB/4/22/L I am aware that we and all visitors do not have a "right to a view", but we do have the right to a "Visual Amenity" which the proposed planning alteration will affect in this Conservation area.

Please can these views be taken into account when reviewing this planning application.

Many thanks
