Subject: RE: AB/56/22/DOC and AB/54/22/DOC Land at Electricity Sub Station, Ford Road, Arundel

Hi Anita,

I'm so sorry, but I can see no way that the applications will be done by the 21st. I think he might have been on track but then Hampton Park was prioritised and that took him most of last week.

I will have a chat with Roger about these ones and a couple of others that are particularly late. I think it might need another couple of weeks.

I'm so sorry – I hate being the bearer of bad news – so often too.

Kind regards

Hi Sarah,

I am asking if there is any revised timeframe for the above consultation responses? The EOT agreed with the agent expires on 22nd July. Please can you advise if the responses will be received by 21st?

Thanks

Anita
