Dear Ross,

Please see below the information as required;

‘First Floor extension and change of use of existing office to form single dwelling’

Please can you substitute the following drawings;

06269 / 03A
06269 / 02A
06269 / 01A

There are 2no doors opening into the small area designated “Communal Bin Store”. The swing was reduced to accentuate the text, but this door already exists already.

I thought, also, I would just point out that the proposal imitates the consent already extant, for the massing of Norton Studio as an office (AB 62 17 PL), exactly. However it deviates by the proposed insertion of joinery made sliding sash windows and brickwork in imperial bricks and flemish bond to a brick course exactly that of the brickwork on the North Elevation.

Kind regards,

Estella
