Anita

That's fine. The proposed scheme will not be discharging any additional SW into the ex network. We can propose to install permeable block paving discharging SW into the ground at depth. Is the culvert part of the highway or an open watercourse. Could you indicate the location.

Dear Mr Westcott,

I have now had time to look at the application in more detail and note that the neighbour has concerns that the application form is incorrect in that a culvert is located close to the site. Our Drainage Engineers also suggest Southern Water are consulted so I have now carried out the consultation. I apologise that has not been undertaken sooner and would be grateful if you could agree to a 2 and a half week extension of time on the application to allow for Southern Water to respond, that is until 28-07-2017.

Regards

Anita Gardner
