Dear Iqraa

Many thanks for holding this application while we obtained the Flood Risk Assessment. As a result of the issue being raised of the flood risk ratings in this area and discussions with the client and Flood Risk Consultant we have made some changes to the scheme. For the sake of completeness I am attaching with the FRA a complete set of drawings which please substitute for those submitted earlier with the application.

Included:

- Flood Risk Assessment
- Location and Existing & Proposed Block
- Existing Elevations and Plans (including floor plans and roof plan)
- Proposed Floor Plans
- Proposed Elevations and Roof Plan

Many thanks for all your help in this. If you need anything further from me please do let me know.

With kind regards

Liz
